

Midwifery 2020 – The Future of the Profession Final Report Launch

**Thursday, 9th September 2010
11.00 a.m. - 3.00 p.m.
Our Dynamic Earth, Holyrood Road, Edinburgh**

About the event

This is your opportunity to discover the latest key messages emerging from the Midwifery 2020 UK programme of work. The aim of Midwifery 2020 is to maximise the midwifery contribution to improving outcomes and experiences for women, babies and families, set against a backdrop of a rapidly changing health and social care environment.

Enabling midwives with the training, skills and attributes to lead and deliver the best possible quality care will help maternity services meet the challenges and demands of 21st Century maternity care provision.

If you are passionate about the contribution of midwives and the midwifery profession to the future of maternity services, please come and listen to national leaders as they explore the implications and opportunities of Midwifery 2020.

Who is the event for?

This conference is for all key stakeholders and partners involved in maternity services throughout the four countries of the UK.

Please click on the link below to register for the event and to see a draft programme:

Deadline for registration is 20th August 2010.
